Prahran Place Fires Up for Neighbourhood and Community House Week

As part of this year's Neighbourhood and Community House Week, Prahran Place proudly hosted a community BBQ on May 13th.

More than 70 people joined us to connect, share a meal, and celebrate the important role neighbourhood houses play in bringing communities together. Volunteers and staff kept the BBQ sizzling as we worked our way through more than 100 sausages, mountains of onions, and plenty of community spirit.

The event was part of the national "Largest Community-Led Lunch" initiative, which saw Houses and Centres across Australia hosting local gatherings to strengthen social connection and celebrate community belonging.

From regular participants to first-time visitors, the BBQ created a warm and welcoming atmosphere filled with conversation, laughter and connection — exactly what Neighbourhood and Community House Week is all about.

A huge thank you to everyone who attended, volunteered, cooked, served and helped make the day such a success. Events like these remind us that community spaces like Prahran Place are more important than ever.

Prahran Place Student Showcase 2026 - You're Invited!

Join us as we celebrate the creativity, talent and achievements of our wonderful Prahran Place community at the 2026 Student Showcase!

This special event will feature works created by our students during the first half of 2026 across a range of creative programs and classes. From art and craft to textiles and creative expression, the showcase is an opportunity for students to proudly share what they have been working on with the wider community.

Whether you are a current student, family member, friend or local community member, we warmly invite you to come along, connect with others and celebrate the incredible creativity happening at Prahran Place.

Event Details

Tuesday 30 June 2026, 12:00pm – 2:00pm, Prahran Place
Light refreshments will be provided.
Attendance is free, however registrations are encouraged.

We look forward to welcoming you to an afternoon of creativity, community and connection at Prahran Place.

Strengthening Communication at Prahran Place - Meet Ron & MJ

Prahran Place is excited to welcome two new student placement students to the team, Ron and MJ!

Ron is from the Philippines and is currently studying a Bachelor of Community Services. She is passionate about helping people, supporting communities, and learning more about social services and care.

Ron will be completing her work placement at Prahran Place and is looking forward to developing her professional skills, gaining practical experience, and connecting with the local community during her time at the centre.

MJ is from South Korea and is currently studying a Master of Social Work. She chose to study social work in Australia to learn more about supporting diverse communities and connecting people with the social resources they need.

Through her placement at Prahran Place, MJ is looking forward to meeting people from different backgrounds, learning from the community, and seeing how individuals can come together to create positive connections and support networks.

You'll find MJ at the centre until August, so be sure to say hello!

We're delighted to have both Ron and MJ as part of the Prahran Place community.
